

## REFLECTION ON PROCESS

Independently, reflect on how your team is working together by answering the questions below. Then share your reflections as a team.

- What is the most important insight you gained during this phase of the design challenge?
  
- About which part of this phase of the design challenge do you feel most confident?
  
- About which part of this phase of the design challenge do you feel least confident? What is your team going to do to improve your confidence about this phase?
  
- What was the most difficult part to collaborate on for your team?
  
- How can you improve how your team works together in the next phase?

## SHARE OUT OF PROCESS

When you have completed this reflection and are ready to transition to the next phase of the design challenge, share with your facilitator, school leader and/or colleague to get feedback on your progress thus far.

They can use the feedback framework of **I like, I wish, I wonder** to provide helpful ideas for where you can improve and where your work is strongest. Write down the feedback you receive below.
