

REFLECTION ON PROCESS

Independently, reflect on how your team is working together by answering the questions below. Then share your reflections as a team.

- What is the most important insight you gained during this phase of the design challenge?

- About which part of this phase of the design challenge do you feel most confident?

- About which part of this phase of the design challenge do you feel least confident? What is your team going to do to improve your confidence about this phase?

- What was the most difficult part to collaborate on for your team?

- How can you improve how your team works together in the next phase?

SHARE OUT OF PROCESS

When you have completed this reflection and are ready to transition to the next phase of the design challenge, share with your facilitator, school leader and/or colleague to get feedback on your progress thus far.

They can use the feedback framework of **I like, I wish, I wonder** to provide helpful ideas for where you can improve and where your work is strongest. Write down the feedback you receive below.
