- What is the most important insight you gained during this phase of the design challenge?

- About which part of this phase of the design challenge do you feel most confident?

- About which part of this phase of the design challenge do you feel least confident?
  - What is your team going to do to improve your confidence about this phase?

- What was the most difficult part to collaborate on for your team?

- How can you improve how your team works together in the next phase?

**SHARE OUT OF PROCESS**

When you have completed this reflection and are ready to transition to the next phase of the design challenge, share with your facilitator, school leader and/or colleague to get feedback on your progress thus far.

They can use the feedback framework of I like, I wish, I wonder to provide helpful ideas for where you can improve and where your work is strongest. Write down the feedback you receive below.
