

# Dubai Cares Framework for Global Education Transformation

Adaptable, Scalable & Flexible

## Global Education Solutions Accelerator

In Partnership with

Aga Khan Foundation

Dubai Cares

Overview

The Global Education Solutions Accelerator (GESA) works to help countries **fast-track progress** towards 2030 through the **development and implementation of solutions** that address education transformation challenges.

Vision

**Country-led transformation** of education systems to strengthen **human capital development** and enable progress of human development globally.

Mission

**Accelerate progress** towards education systems transformation by supporting countries in identifying key roadblocks and facilitating solutions built on **cross-sectorial collaborations** focused on **ecosystems change**.

Guiding Principles

Country-Centric approach

Innovation as a catalyst

Cross-Sectoral collaboration

Flexibility and agility

Prioritization of support for the most vulnerable and marginalized

GESA Countries

Afghanistan

Brazil

India

Kenya

Kyrgyz Republic

Pakistan

Portugal

Tajikistan

Tanzania

Uganda
